NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *1, 2, &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1250 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicates* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward three papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Al. Dr. First Regt. Kentucky Cavalry Vol.,
Serving in Kentucky
September 9th, 1862

To the

Assistant Adjutant General,

Dept. of the Ohio,

Knoxville, Tenn.

Sir:

I have the honor to submit the following statement of my military history, and request my discharge as First Lieut. Co. (L.), First
Regt. of Kentucky Cavalry Vol., to enable me to be mustered into the U. S. service, by virtue of a Commission tendered me by the Governor of the State of Kentucky.

I enlisted in Co. (L.) First Regt. of Kentucky Cavalry Vol., on the 20th of August, 1861, and was mustered into the U. S. service, as an enlisted man, on the 28th day of October, 1861, by Gen. Thomas, and served as such until the 4th day of July, 1863, when I was commissioned by the Governor of Kentucky, as 2nd Lieut. 4th Div., Co. (L.) First Regt. Kentucky Cavalry Vol., which Commission was received

and accepted by me on the 21st 1863 day of July 1863.

I entered upon duty, by virtue of said Commission, on the 15th day of July, 1863, a vacancy then actually existing in said grade, caused by the Commission of 2nd Lieut. J. A. McElain; at which time the strength of the Company was, in officers, Two; enlisted men, 15. It now has Two officers, and 91 enlisted men.

I was last mustered for pay, as an enlisted man, to include the 30th day of April, 1863, and last paid as such to include the 30th day of April, 1863.

*(I was again commissioned by the Governor of Kentucky on the 30th day of June, 1864, as 1st Lieut. J. A. McElain Co. (41) 2nd Regt. of Ky. Cav., which Commission was received and accepted

by me on the 30th day of July, 1864, I entered on duty, by virtue of said Commission, on the 30th day of July, 1864; a vacancy then actually existing in said grade, caused by the Commission of John. A. McElain; at which time the strength of the Company was, in officers, 2; enlisted men, 91.

2nd Lieut. J. A. McElain has never paid has not paid as a commissioned officer by Major J. A. McElain

to include the day of 1863

The reasons why I have not been discharged and mustered at an earlier date are

as follows:

My regiment was with Genl Sumner in East Tennessee and with Sherman in Alabama. On a frolic I incurred for me a great deal of trouble and expense.

Very Respectfully,

Your obedient servant,

1st Regt A. C. Smith
Co. (F) 1st Regt. Cav. Vol.

1st Regt. A. C. Smith
Vol., do certify, on honor, that

the statement above made by 1st Regt. A. C. Smith is correct.

Commanding 1st Regt. of My Cavalry Vol.

Nov 1.—This application, together with the Commission, should be forwarded direct to the Asst. Surg. of the Division to which the Regiment belongs into which the applicant has been commissioned.

ARTICLES OF WAR.

ART. 51. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preference or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 51st Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of —, late of company —, — regiment of —, who died at —, the — day of —, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the blank for inventory.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form 5,) accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Receipt of the proceeds of the effects of —, late of company —, — regiment of —, who died at —, the — day of —, 186—."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipt therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

Respectful No 3 Sebastian 14 Nov 3 1862
This is to certify that I have
carefully examined Leapt John
Smith Leo (S), 1st Regiment 1st Cavalry
Volunteers. And can state that he
is not able to discharge the duties
devolving upon him as a Captain
of Cavalry in consequence of ^{right}
gumshot wound of the ~~left~~ arm
received at the 26th near Wild
Cat Ky. While on picket. The ball
removed a section of the inner
which has since been partially
reproduced, but the strength of his
arm and the grip of his hand
has been so much weakened that
he is unable to hold his horse and
wield a sword at the same
time, I would recommend his
discharge.

with the records of the
Officer of Kentucky.

NOTES.

- 1..The amount of any extra pay for which the soldier may be mustered, or, as Acting Hospital Steward, as Auditor, &c., and which may be still due him, must be carefully noted.
- 2..In the column headed "BOUNTY PAID," must be entered the whole amount actually paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
- 3..Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped must be carefully stated.
- 4..In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
- 5..A careful statement of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be precisely stated.
- 6..Should the man have been engaged in any action or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.
- 7..If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
- 8..When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.
- 9..Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
- 10..Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word drafted; and under the heading "When Mustered in," will be given the date when the soldier was drafted; under "Where Mustered in," will be given the place from which drafted; under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th D. Mass.; (commencing 4th Enrollment) District, State of Massachusetts.)
- 11..A separate descriptive list should, as a general rule, be given for each man.
- 12..Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men acting as such.

Respectfully returned to Dep't Hd. Qu.
It appears from the endorsement of
Capt. Litcher W.C.M. that by 10
Sweeney was discharged the service
upon the report of a Board of
Officers duly authorized to act in
such cases, and it is not deemed
proper that he should re-enter
the service without special
authority from the War Dept.
Capt. Litcher's action under the
circumstances, is approved.

Lebanon, N. H.

Nov 25th 1863

Brief Genl. Boylster

on or
about 14th day of April
1862. I with many other
officers of the 1st Regt. Cal-
were notified to appear
before an Examining board.

All who were examined
were discharged from service.

Among them were Maj-
Brinley, Maj. Coffey, Capt
Billings, Capt. Briggs &c

It was afterwards found
that we could be reinsta-
ted, but I had a home
and did not
ascertain the fact until
my discharge had been

Commissioned, when I
refused a reinstatement
and gave way to my St.

On or about the 1st of
June last, I accepted
a Commission as a Recr-
uiting officer - under the
20,000 Call. Spoke with
Genl. Fry in my cand-
idation, he said all would
be right go ahead and
make a Battalion - which
I have done - and by your
order and that of the Cal.
after due Election I have
been Commissioned as
Major of the 1st Battalion of
the 18th Regt Cavalry - have
passed the time from June
until the present. Spent
\$500 or \$600 in getting up

The Regiment - and
think it would be unjust
to me and my men to
refuse me a mustering

I ask it as a favor
of you to get me placed
all right, that I may be
mustered with my men

I make my request
through you - to the President
Adjt Genl, or Military board

I shall anxiously
wait an answer - and
remain subject to your
orders

Very respectfully
H. Sweeney
S

I know that the Statement
as to time and money
Spent by May Seamen are
true and correct - and
that he was duly elected
by his men - and I
desire that he be made

He respectfully referred to Mr. J. F. Smith
U. S. A., Commissioner of Missouri
Dept. Ohio - My refusal to muster
this officer was based upon
his dismissal from the service.
Capt. Sweeney was dismissed
the service in the Spring of
1862, by a board of officers
composed at Baraboo, Wis. to
examine into the capacity,
qualifications, propriety of conduct
and efficiency of Vol. Sweeney.
In regard to this fact a decision
was made, and directed him to make
application to return to the
service.

Genl. Boyle, Sir

I wrote
to you by Capt. Letcher on
last evening - in regard to
my position in this Regiment
he refuses to instruct
me on account of my
previous discharge - from
the 1st Regt. - you
have known me from
infancy - and know
whether I am Capble. or
not - the Board that
examined me, was a
partial arrangement, and
was so far acknowledged
and I was tendered a

Reinstatement - but I
refused it as my Lt -
had been commissioned
before I received notice
of my Reinstatement
I Appeal through
you for reinstatement - and
that I may be reunited
with my Battalion - which I
have made under the
20,000 call - and am now
mustering into 13th Regt
for one year. I have
a Commission as Major,
and in good faith have
been executing the duties
of the office for 3 months,
and have no obstacle until last
evening.

Any loss of my
Ability &c that may be
wanted can; and will be
furnished

I wish justice - and
if I cannot be Major
can be a private
I know you to be

I ~~trust~~ I call on your
assistance

NOTATION.

Record and Pension Office,

WAR DEPARTMENT,

Washington, June 29, 1912.

This man deserted on or about

April 26, 1864, and was arrested
on or about June 1, 1864.

As he was subsequently restored to duty by

competent authority
without trial, but upon conditions which appear to have
been complied with (so far as not waived by the Gov-
ernment), the charge of desertion no longer stands
against him. The record of the fact that he was absent
in desertion from on or about April 26,
1864, to on or about June 1, 1864,
cannot, however, be expunged.

appeared before me the subscriber a Notary Public
in and for the State of Kentucky above written, Joseph
D. Beatie Late Capt of Co. C. 1st Ky Vol Cav who
being duly sworn according to the last deposes and
says that he is the identical Joseph D. Beatie who
was Capt of Co. C. 1st Ky Vol Cav during the war of 1861

And he further deposes and states that on the Muster

of Co. C. 1st Ky Vol Cav. And further that opposite said
name of Samuel Satum, in the column of "Amount
of Clothing in kind or in money advanced" are the
